# The Power of Your Presence, Dolphins & Whales

with Alan Seale as Guest facilitator

## The Power of Your Presence

A workshop for anyone who wants to develop their leadership presence. It's a workshop of discovery and empowerment that helps you to really step into your innate power – "your presence of being". From this place you are able to show up to leadership in your most powerful and authentic way. You'll get new angles, approaches, skills and tools that will support you in being that successful, dynamic and effective leader that you really are. We integrate the workshop with swimming with wild dolphins and whale watching.

We stay at the "Whale Song Sanctuary" in Kealahou Bay, Big Island, Hawaii. It is a wonderful Retreat for relaxation and inspiration "in the Great Spirit of Aloha." The sea view is magnificent. The Retreat is located just a few minutes' walk from the Dolphin Bay. Since we started those trips we have had many amazing Dolphin and Humpback Whale experiences, it's often about 50 dolphins in "our" bay every day. It is magical to connect with wild dolphins, an experience you remember for life. We enjoy the Big Island fantastic nature and wildlife where we also snorkel with sea turtles and manta rays.

*It's just magic!*

## 8 Day Retreat 3900 USD

There is a fantastic opportunity for those who want to experience the ultimate Dolphin connection with one of the world's most interactive and joyful dolphins, the Spinner dolphins. With the best conditions; in warm, clear, turquoise blue water you swim with playful loving free dolphins.
